Care & Assembly Guide

Thank you for choosing Nordhaus Living.

Upholstery: vacuum weekly with a soft brush.

Blot spills at once with a clean, damp cloth.

Rotate cushions every two weeks for even wear.

Keep out of direct sunlight to prevent fading.

Wood & Leather

Dust wood with a dry microfibre cloth.

Use coasters; never place hot items directly.

Condition leather every 6 months.

Tighten fittings after the first month of use.
